

2.4 Mandate:

- Promote education, training and awareness surrounding sexual/domestic violence
- Encourage active engagement with other community partners in the development of a coordinated approach to domestic/sexual violence
- Provide a forum for information sharing, process review, barrier identification and problem solving with the focus on persons who are victims/survivors of domestic/sexual violence.
- Understand and respect the roles, responsibilities, limitations and practices of our community partners
- Facilitate joint/cross-sectoral training

2.5 Commitments (Accountability):

- Attending and participating in meetings
- Adhering to practices outlined in our protocol
- Supporting and respecting each other's role and mandate
- Identifying gaps in service and explore solutions
- Participating in a 5 year review of the Protocol to ensure it remains current

2.6 Conflict of Interest:

Members of the Committee work in good faith and declare conflict of interest where it exists.
